

Free Standing Dishwasher

ADP5000

- AU_AD5000_WH.jpg
- Height Adjustable Upper Basket
Can be easily raised and lowered (even when full) to accommodate large items in either basket
- Perfect for the built in kitchen
The look and sophistication of the Built In dishwasher. Requires ADPDOOR or your own cabinet door.
- Aquasafe Flood Protection
The Aqua Stop Hoses, guarantee's no flooding, as the electronic hose will automatically shut of the water as soon as it detects a leak. Whirlpool Dishwashers are also equipped with a float switch which will relay a signal to stop if the appliance detects a water leak.
