PHILIPS
sense and simplicity

Food processor
750 W Compact 3 in 1 setup 2 L bowl

Highlights

Powerful processing

This Philips Food Processor offers a powerful motor with 2 speeds and pulse, providing power and control to prepare all your favorite recipes.

2 speed settings and pulse

For best results, use the low speed setting (speed 1) to whip cream, beat eggs, create pastries and bread dough. The higher speed setting (speed 2) is well suited to chop onions and meats, blend soups and smoothies or shred, slice, grate or rasp vegetables.

Accessories for 28+ functions

The - dishwasher safe - accessories are a kneading tool to mix and knead batter and

dough. A stainless steel chopping knife to prepare meat and vegetables. Various discs to handle slicing and grating. Break resistant blender of 1 l for blending, crushing and stirring different ingredients. An emulsifying disc to prepare food like whipped cream and mayonnaise. A chopper mill to grind e.g. coffee beans

Up to 5 portions in 1 go

The generous 2 l bowl enables you to blend up to 5 portions of soup in one go.

Color coded accessories/speeds

Match the color of the speed with the color of the accessory for optimized results.

Form fitting couplings & tools

Unlike cheaper food processors, this Philips food processor is designed to be very easy to assemble. Its parts simply click together thanks to the clever form fitting design of the accessories.

HR7762/90

Stainless steel discs

Full metal stainless steel discs ensure fast processing so you can spend less effort in preparing home made meals

Break resistant jar

Break resistant jar withstands intensive use

Dishwasher safe accessories

All accessory parts of your Philips food processor can be put on the top rack of your dishwasher for easy cleaning.
